**REGISTRATION FORM:** New this year – we’ve moved to online registration. This is your official registration form. Please be sure to list all families included in your float group. For those in the “tiered” category, this list will determine your category tier. It will also determine the number of plates needed for your float group. ***MUST BE COMPLETED.***

**QUESTIONS INCLUDED IN ONLINE REGISTRATION:** This is just for your reference. This way you know what is expected prior to completing the online form.

**Judges Score Sheet:** This is the master copy of the score sheet. This will list the criteria that the judges will be using to judge your float.

**Rules & Regulations:** Please review.

**Towing Protocols:** Please review.

**Safety Checklist & Sample Float Diagram:** Please be sure to read through the safety checklist. Your float must pass this checklist on the morning of Canoe Carnival in order to be allowed to participate that evening.

A few words about safety... above all, the Canoe Carnival Committee wants to have a safe and accident-free Canoe Carnival. As a result, the committee will strictly enforce the following rules. Junior float group members are not to use power tools near or on their floats unless directly supervised by a parent or guardian. Also, float group members are not to use power tools while standing in, or while in contact with water in any way. Any violation of these regulations will result in immediate disqualification of the float group.

Similar to years past, junior float groups will receive a complimentary generator, as well as, up to \$75 towards expenses. Also, new float groups (any individual or group never involved in float building and/or any prior float group that has not participated for more than three years) will receive up to \$100 in expense and a free generator. So, save those receipts and turn them into the Colony after Canoe Carnival.

If you have questions regarding float registration, please contact Jill Siciliano at [jtursi324@gmail.com](mailto:jtursi324@gmail.com).

**REMINDER – Please complete the online registration by no later than Friday, June 24<sup>th</sup>.** For those with non-residents in your group, they will be up for approval at the July Colony Directors meeting.

Thank you and looking forward to another great Canoe Carnival!
