

Judge's Instructions:

Score each float on the five categories below; do not leave any blanks (score sheets provided).

Each Judge will award no more than 50 points per float; 10 points maximum for each of the five categories with zero being the lowest and ten being the highest score.

Note: it is suggested that you take a picture of the floats as they pass by in order to compare the earlier floats to the later floats. You may want to go back and refine a score as you compare one float to another.

Please make sure that any changes to your score are clearly marked.

**** Summary comments on the score sheets are encouraged and welcomed by the entrants****

Categories:

1) Artistic Impression (10 points maximum)

- a) How well do the items and details of the float enhance the concept/idea?
- b) How well do the color selections compliment the concept/idea?

2) Use of Motion (10 points maximum)

- a) How much motion or animation exists?
- b) How effective is the use of motion or animation?

3) Lighting (10 points maximum)

- a) How well does the lighting make the details of the float visible?
- b) How well does the lighting enhance the concept/idea?

4) Sound: Music and/or Audio Special Effects (10 points maximum)

- a) How well does the music/sound support the concept/idea?
- b) How well does the volume level enhance the concept/idea?

5) Overall Impression (10 points maximum)

- a) How well does the float present originality/creativity for the concept/idea?
- b) How well did the float impress you?
